YOUNG MAN APPEALS PITIFULLY FOR HELP

C. M. Kauffman Writes to Norfolk Manufacturer, Claiming Inhuman Treatment.

CASE WILL BE TAKEN UP

Investigation Will Be Made at Instance of Virginian—"Black-mailing Scheme."

[Special to The Times-Dispatch.]
NORFOLK, VA., April 21.—In jail in Cleveland, O., on a charge of forgery, C. M. Kauffman, in letters to a Norfolk manufacturer, declares he is a victim of a blackmailing scheme, has been refused a trial and medical attention. He was arrested last January, and according to his letters, has been denied his constitutional rights. He gave the name of Frank Wolf, when arrested, he says, to save disgrace to his family. His home is in Louisville. The following letters from him, were received by the Norfolk manufacturer who has taken up his case and for the present does not want his name used.

"Cleveland, O., April 16.
"I am all broken down in health and have been sent to hospital and returned to jail three weeks ago. Am in a bad fix, and am afraid that my health will be so far gone that I will never regain it. It seems strange to you that a man should be slapped in jail, never given a preliminary hearing and no trial and held here almost six months and sick every day and can't get any medical attention. Will you please be kind enough to send me money-order for enough to get a doctor and some medicine? I can assure you that it will be appreciated and can also assure you that I am innocent and can never be convicted.
"It's a blackmailing scheme and nothing else. If you send me money, please send it by express money order, as I can get it cashed easily. I am smuggling this letter out to you. Don't write in care of the jail, as my letters are opened before I get them.
(Signed) "C. M. KAUFFMAN."

Gave Him No Medicine.
"Cleveland, O., April 17.
"The county doctor came to see me yesterday, as I got worse and my face commenced to swell up. He, however, gave me no medicine. The only thing he said was to take a tip from him and make a compromise with the prosecuting attorney, or I would stay in jail the balance of my life. So you can see that he cares little for giving medical advice. He seems better able to give legal advice. I told him I would compromise nothing. I could get a trial if I was south of the Ohio River, where honesty prevails, or even in New York, where they have processes like Jerome, not persecutors like this school-boy outfit here. The jail people are all right and give me everything I ask for. Please advise me by first mail if I understand you right that they refused me bail, as I can get bail I think and will go to another county for same, if they refuse me here. Just got word that I would get a trial first of next week, but take no stock in it.
(Signed) "C. M. KAUFFMAN."

Sleep And Rest

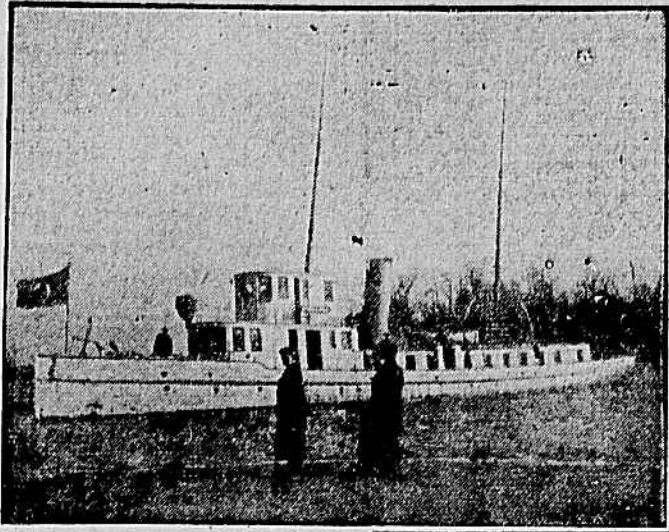

Every movement of the body consumes energy. So does mental effort. Energy is supplied by the nerves. It follows that physical or mental exhaustion simply means an over-draft on the nerves. Nature restores energy through rest and sleep. You cannot sleep with tired nerves. Dr. Miles' Nervine soothes the irritation and restores nervous energy.

"Although I have lived nearly 75 years, I have stood up against constipation for publication, but the unquenchable desire for knowledge and the desire to know the truth, have led me to recognize the superiority over every other medicine I have ever used. I feel sure that the Nervine is free from injurious effects and is most medicinal for constipation. I can confidently recommend it to the aged and nervous." MRS. W. H. FURBER, Colorado Springs, Colo.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit it. If it fails, he will refund your money.

[Special to The Times-Dispatch.]
CLAREMONT, VA., April 21.—The lives of twelve persons were endangered at Bacon's Castle Friday night by the malicious attempt of some miscreant to fire the house of E. F. West, in which twelve human beings were soundly sleeping.

of an alarm set at 4 A. M. It has been the custom of Mr. West to set the alarm of this clock to go off at this time to call his sons to go to work, and on arising in response thereto on Friday, it was to find his home completely enveloped in the fumes of kerosene smoke, which on investigation by the hastily awakened sleepers were found to arise from two recently lighted fires, one kindled in the cellar, and one on the outside of Mr. and Mrs. West's bedroom, and which were, by reason of their prompt discovery, soon extinguished.

Further search also elicited the fact that in all, four separate fires had been lit, two others being discovered in the basement which had burned but little, and then gone out, owing to their hasty construction.

In Curing Old, Chronic Cases of RHEUMATISM

Patients Given Up as Incurable

Speedily Restored to Health by Munyon's 3 X Rheumatism Remedy

I want every rheumatic to throw away all medicines, and to try MUNYON'S 3 X RHEUMATISM CURE. No matter what your doctor may say, no matter what your friends may say, no matter how bigoted or prejudiced you may be against all advertised remedies, at once try my 3 X RHEUMATISM CURE. Price \$1.00. (He will get it for you if he has none in stock.) There are 100 doses in a bottle, and as one lady says: "Every tablet is worth more than a diamond of the same size." A few doses will take away all aches and pains, and a cure generally effected before one bottle is used.

Remember, this remedy contains no salicylic acid, no opium, cocaine, morphine or other harmful drugs. It is put up under the guarantee of the Pure Food and Drug Act, but my guarantee I consider the best. Try the remedy, and if you are not satisfied, bring the empty bottle to me and I will refund your money.

If you have any other ailment, remember that we put up a separate remedy for each disease. We have no "cure-all." Our Cold Cure cures colds and coughs; is worth more than all the emulsions, all the oils, all the balsams and cough cures that have ever been made. You can prove this statement by the investment of 25 cents.

My Kidney Cure, I believe, has saved more lives and cured more chronic cases of bladder and kidney ailments than any known remedy. Money back whenever it fails.

AFTER TEXAS TICK.

County Authorities Working in Union With Federal Inspectors.

DINWIDDIE C. H., VA., April 21.—The State Veterinarian, Dr. J. G. Fernelough, from Blacksburg, appeared before the supervisors and appealed to the said board to recommend a good local cattleman from each of the four districts in the said county with the request that the State Veterinarian appoint the men so recommended and authorize them to inspect all cattle in their districts for the purpose of locating all tick-infested cattle in the county.

Dr. Fernelough explained to the board the necessity of having these local men go to work with the Federal inspectors in order to first locate, and then by practical methods eradicate, the tick. The result of the meeting was most satisfactory, as the board agreed to recommend a man for each district to be paid by the county, and it may be added that most of them have since their maturity shown much activity in politics.
